

INTERNATIONAL OBSERVE THE MOON NIGHT
08 Oct 2011

What does the Moon mean to YOU?

Royal Astronomical Society of Canada
Edmonton Centre

welcomes everyone who is interested in the Moon or the night sky in general to visit us and celebrate International Observe the Moon Night.

Observatory at TELUS World of Science
11211 - 142 St., Edmonton AB

Saturday, October 8, 2011
7:00 - 10:00 PM

View the Moon, Jupiter, and other celestial wonders through our telescopes.

This event is FREE and WEATHER PERMITTING.

WIN A TELESCOPE!

Young astronomers (10-17 years) are invited enter a contest to win a FREE telescope donated by the RASC. To enter, all you have to do is observe 5 objects in the night sky while visiting the Observatory on October 8, using telescopes at the Observatory. Assistance, telescopes and sky charts will be available. In the event of inclement weather, the backup date for the telescope contest is November 5 (same time and place).
